In today's classroom, it is more important than ever for students to develop digital fluency. The digital resources offered with Cambridge Spanish allow students to engage with Spanish in the same multifaceted manner they engage with the world outside the classroom.

With your teacher account you can

1. Assign and manage content for specific classes and access or export the respective gradebooks
2. See all student activities with an overview of the interactions your students had on an activity including time-on-task
3. Provide a creative learning experience through *La Pasantía*, an interactive game at the end of each unit
4. Access to a wealth of digital resources to help enhance teaching and managing your classroom, including
 - Ready-made assessments, test item banks, and Integrated Performance Assessments
 - Additional teacher support including projectable eBooks, lesson plans, answer keys, scripts, photocopiable extension activities, and more
5. Create your own activities to share and grade online

6. Communicate with the students enrolled in your classes
7. Access the accompanying audio and video for every unit
 - **¡Acción!** – a video series aligned to every unit
 - **Voces Latinas** – cultural video segments
 - **Grammar Tutorials** – reinforce difficult skills
 - **Casa del Español** – authentic street interviews that target grammar and vocabulary

In ELEteca, students can

1. See their grades and monitor their own progress
2. Receive assignments, messages, and notifications from teachers
3. Enhance their learning in each unit through online practice provided by the program or created by their teacher
4. Play the games and activities connected to *La Pasantía*
5. Access the accompanying audio and video for every unit
